A La Cart Services

At Platinum Affairs, we strive to stay on the cutting edge of the wedding industry. While bringing out our best designs and planning strategies to the forefront of every event we are a part of, we often are called in to simply add some 'wow' to the already completed big day.

Whether we are instrumental in bringing your big day to life or working in conjunction with your previously chosen planner, you can pick and choose any of our services below and utilize them individually or add them to a one of our custom designed wedding packages.

- Ceremony Only Package - some of our more intimate weddings do not require a full package in order to ensure a magical event. Still others do not prefer all the trimmings of a larger wedding. If this is the case, we can custom design a package that will coordinate just your ceremony. Pricing will vary on amount of detail and scope of wedding contact us today for a specific quote.
- Reception Only Package - some individuals choose to have a justice of the peace ceremony, a very small, informal ceremony or may have returned from a destination wedding and only need planning for the reception. Please contact us today for a custom quote on this service.
